

VAST APPLICATION USING THE MySwitch WEBSITE

Australian Government

Are you **READY** for digital TV?

Home What is the switch? When do I switch? How do I switch? Govt assistance Info centre Help

mySwitch

Find out when you are switching:
Enter your suburb, postcode, or address to begin

Welcome to mySwitch

Please enter your full address in the field above to see your digital TV coverage and eligibility for satellite access.

mySwitch helps you:

- Find out when your analog signal will be switched off.
- Check the quality of your reception.
- Get help to resolve reception issues.
- Apply for Government subsidies or the free -to-air satellite service (VAST).

STEP 1.
ENTER YOUR ADDRESS AND POSTCODE HERE AND SELECT "GO"
